

Neighborhood House Early Childhood Education Schedule

For more information about Early Childhood Education Programs,
please visit us at www.neighb.org.

Family Literacy

Family Literacy at Neighborhood House combines adult English language education and school readiness skills for children with parenting instruction and parent/child activities.

Mondays, Wednesdays and Fridays, 8:45 a.m. – 11:15 a.m.
at Homecroft Early Learning Center

Skills for School

Offering a structured environment to promote success in school and help children get ready for kindergarten. A licensed Early Childhood Educator and assistants involve each child in activities, such as learning numbers, letters and colors. In addition, Family Workers schedule home visits to promote family involvement and educate parents on child development, school and cultural expectations. For children ages 3-5 who are ready to attend class without a parent. Must be out of diapers.

Wednesdays and Fridays, 12:30 p.m. – 2:30 p.m.
at Homecroft Early Learning Center

Tuesdays and Thursdays, 9:30 a.m. – 11:30 a.m.
at the Wellstone Center

Together Time

Promoting school readiness by teaching age-appropriate English language, educational and social skills, parents/caregivers and children age birth to 5 years participate in programming together to learn about school behavior and academic expectations through story, circle time, games, singing and other activities.

Mondays, 1:00 p.m. – 2:30 p.m.
at Highland Family Center
