

Neighborhood House™

All-Culture Shopping Wish List

Neighborhood House is a multi-cultural, multi-lingual center, open to all, and committed to the success of refugees and new immigrants since 1897. Neighborhood House has been privileged to work with people from more than fifty ethnic populations and provides programming that helps people put down roots, learn important life skills, strengthen their families, and contribute to building a diverse and thriving community. The Neighborhood House Food Shelf is widely recognized for its culturally competent food shelf and is one of only a few food shelves to hold the Hunger Solutions Minnesota's Blue Ribbon Food Shelf Initiative Seal.
