

## Scholarship Activities Leader

**Community Impact:** Volunteers are a vital part of our Scholarship activities and a key part of our organizational value. They provide our program with Mutual Enrichment- meaning everyone has something to give and something to receive, something to teach and something to learn. Being a volunteer in our Scholarship Activities provides opportunity to work with kids of diverse backgrounds and ethnicity while their parents participate in English or GED classes.

**Duties:**

- Create a safe, fun space for kids
- Plan and lead engaging, age appropriate activities for 3rd-6th graders
- Supervise youth during educational computer time
- Chaperone on field trips as applicable
- Track youth attendance
- Foster relationship building skills of our youth

**Qualifications:**

- Experience leading activities with groups of elementary school children
- Able to teach skills to youth in one of the following areas:
  - Art
  - Music
  - Dance
  - Nature
  - Science
  - Sports/Dance/Other Kinesthetic
- Dependable and Prompt
- Strong organizational skills
- Pass a background check

**Time Commitment:** At least 3 hours per week. Program is able to accommodate positions up to 20 hours per week.
